Important phone numbers:

Race Office: 046-631 5221

Head of the race (Juha Järvinen): 045-648 3413

Event procedure:

- Register at the race office, then to scrutineering.
- Scrutineering is done for all classes on their own wheels.
- After passing scrutineering, collect the checkpoint lists (USB stick and paper) from the race office on presentation of an approved scrutineering card.
- The drivers' briefing is held outdoors near the office.
- Starts take place from the parc fermé area. Machines transported by trailer may be loaded the night before.
- Crews starting on trailers must wait until all cars/atvs leaving under their own power have departed.
- The finish is at the race office, where the time card and memory card with the checkpoint photos must be handed in.
- Late finish penalty: 5 points per minute; more than 1 hour late → disqualification.

Conduct on the course:

- Move between areas only on marked roads.
- Speed limits during the competition: 30 km/h in checkpoint areas. max 80 km/h on paved roads, max 50 km/h on gravel roads Exceeding the limit by more than 10 km/h → disqualification.
- Use extreme caution in forest sections and on roads where spectators are present—lead by example.
- Report any detached checkpoints or barrier tape to the race office immediately.
- Do not damage trees, except cutting willow scrub.
- Deliberately or negligently felled tree: 10 errors + €10 per metre.
- Tree damage is monitored very strictly!

General:

- Finish time is recorded at the race office.
- Welding and hot work are allowed only in places specifically approved by the organiser—call the head of the race, who will direct you to a suitable spot.
- Call the head of the race if a service vehicle needs to use restricted roads.
- Competitors may help each other; assistance is mandatory in an emergency.
- Politely ask spectators to step back if they are in a danger zone during winching or similar activities.
- Competitors are liable for any damage they cause.
- Report fires, personal injuries, environmental damage, fluid leaks, etc. to the race office immediately.
- Keep the forest clean—take your rubbish with you.
- When refuelling, ensure no fuel spills onto the ground..

Food, washing & fuel:

- Café 58 / St1: Sat 09:00-18:00, Sun 09:00-18:00 – fuel and meals
- Sale supermarket: Fri 08:00-20:00, Sat 09:00-18:00, Sun 09:00-19:00
- ABC unmanned station: fuel (next to Sale)

- Free riding
- Watch out for elevation changes—don't roll the vehicle...
- You may drive through the spectator area to reach other checkpoints, but the spectator-area checkpoints may only be taken after 12:00.
- The spectator-area checkpoint may also be taken after 16:00 if it's still in place.
- Beware of the angry landowner: with a 5 kg sledgehammer he will put as many dents in your vehicle as you put marks on his trees. In short—do not damage the forest!
