

2025 PäHäma Trophy

by Hahkialan Uiskola

Spectator map

A warm welcome to Hauho for the second edition of this event. On behalf of the organizer, we wish for beautiful autumn weather and a cheerful spirit throughout the day.

The event center is Hahkiala's Uiskola. The spectator area is at Hauhontie 425, open to everyone from 11:00 to 16:00, and there is also a buffet where you can buy savory and sweet items. The checkpoints elsewhere in this and the other areas are open continuously. Enter the area via the timber yard near barn. We warmly welcome everyone to watch the impressive driving performances.

Special notes about the event:

The wet autumn has made the terrain challenging, and competitors will at times need to think carefully about how to get their vehicles to the checkpoints. Spectators should be prepared with waterproof clothing/footwear and a brisk outdoor mindset.

We wish to thank the landowners, sponsors, the City of Hämeenlinna, our cheerful volunteers, and everyone else who makes the event possible.

Other important information:

- Competition time is 07:00–20:00 and 07:30–20:30 due to staggered class starts; the spectator area is open 11:00–16:00.
- With your own motor vehicle, drive only on roads that are easily passable with a standard passenger car.
- The area descriptions explain good viewing spots that are reasonably easy to reach and have interesting checkpoints.
- When parking, make sure you do not block or endanger other road users.
- Beware of vehicles that are winching; if a cable snaps, it can lash with dangerous force.
- Keep a safe distance from vehicles.
- Believe competitors when they ask for space; they are not doing so without reason.
- Remember: if you can carry something into the forest, you can carry it out. Keep the areas free of litter.

Areas:

Area 1 - Porsoo

Porsoo is a diverse driving area. The best parking place is the farmyard at Porsoontie 303.

For dramatic, wetter viewing, head to the cluster of checkpoints in the southwest corner.

Area 2 - Shooting range

Parking at Piirinpääntie, shooting range.

The terrain is pine forest, partly challenging for vehicles due to clear-cuts and rocky ground. From the parking area it is easy to walk to the driving area.

Area 3 - Kenkivuori

At Kenkivuori you can park at the timber yard right at the start of the road, Hauhontie 425, or inside the area at the spectator zone, which is accessed via the same address.

At the spectator area there is a buffet, textile sales and toilets. This spectator zone is challenging for competitors, but otherwise the area is easy to move around for both spectators and competitors. The spectator area is open 11:00–16:00, when most competitors will visit the area to drive.
