### Tärkeät puhelinnumerot:

Competition Office: +358 46 631 5221  
Head of the race: Juha Järvinen +358 45 648 3413

### Event procedure:

- Registration at the race office, next scrutineering.
- Scrutineering is carried out for all classes on ground, not in trailer etc.
- After passing scrutineering, competitors receive checkpoint lists on a USB stick and on paper from the competition office in exchange for the approved scrutineering card.
- Drivers' briefing will be held outdoors near the office.
- The start takes place from the parc fermé area. All vehicles must start under their own power; vehicles must not be preloaded onto trailers for the morning.
- Vehicles departing by trailer must wait until those driving to the start have departed.
- The finish is at the competition office, where the competition card and memory card containing checkpoint photos must be submitted.
- Late arrival at the finish is penalized at 5 points per minute; more than one hour late results in disqualification.

### Conduct in driving areas

- Travel from the area to the driving areas only via marked roads.
- During the competition, the speed limit is 30 km/h in checkpoint areas. On other asphalt roads the maximum speed is 80 km/h, and on gravel roads 50 km/h. Exceeding the limit by more than 10 km/h results in disqualification.
- Exercise special caution when driving in forest areas or on roads where spectators are present. Set a good example through your behavior.
- Any detached checkpoint marker or tape must be reported immediately to the competition office.
- Trees must not be damaged, with the exception of willow scrub.
- Trees felled intentionally or through negligence incur 10 penalty points and a fine of €10 per meter.
- Damage to trees is monitored very strictly.

### General

- Finish times are recorded at the competition office.
- Welding, hot work are permitted only in locations specifically approved by the organizer. Call head of race, who will determine the most suitable repair location.
- Contact the Clerk of the Course if a service vehicle needs access to restricted roads.
- Competitors may assist each other; assistance is mandatory in emergency situations.
- Politely ask spectators to move farther away if they are in a danger zone during winching or other hazardous situations.
- Competitors are responsible for compensating any damage they cause.
- Any fires, personal injuries, environmental damage, or other incidents must be reported immediately to the competition office, including any fluid leaks.
- Keep the forest clean; all litter must be taken away.
- Refueling, ensure that fuel does not spill onto ground.

### Food, washing, fuel

- Café 58 / ST1: Sat 9–18, Sun 9–18. Fuel and food.
- Sale grocery store: Fri 8–20, Sat 9–18, Sun 9–19.
- ABC unmanned fuel station next to Sale.
- Sauna at Henkireikä: €5 per person (Väihinjärventie 97, 35540 Juupajoki).
- Extensive dining options also available at Henkireikä: Friday €18 and Saturday €37 per person. Dining includes sauna access. More detailed information about Henkireikä services can be found in the appendix included with the competition invitation.
